MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Logistics Office Rebuttal to the Management
Staff Study on the use of a RAMAC Machine

1. It will interest you to know - and the rebuttal should be read from this point of view - that the author of it is quoted as follows:

"It doesn't make any difference how much money you save with the installation of this machine, unless it can be used full-time it is not economical."

2. We will give you within a few days a blow by blow answer to the misinformation, distortion, lack of understanding, defensiveness, illogical reasoning and resistance which characterizes this whole paper.
